

**METHOD AND SYSTEM FOR TRANSLATING A DIGITAL VERSION OF A
MASS-PRODUCED PRINTED PAPER**

Abstract of the Disclosure

5

A method performed by a computer system. The method includes storing a first version of a mass-produced printed paper, the first version having a first format. The method also includes translating the first version into a second version, the second version having a second format. The second version is displayable on a display device as a likeness of the paper.
